

# The Camp Wright Experience

- ◇ Campers stay in rustic cabins with 7-9 other campers and at least 2 staff members. Most cabins do not have electricity.
- ◇ Showers and toilets are located in a central bathhouse.
- ◇ Meals are served in the dining hall. Campers eat meals in cabin groups and are responsible for setting and clearing tables.
- ◇ Camp Wright is a nut free facility. We work with camp families to accommodate many diets and food allergies; please let us know of any dietary needs in advance so we can better serve your child.
- ◇ Two snacks are provided each day in addition to three meals. Plenty of cold water and fresh fruit is available between meals and snacks.

## American Camp Association

The American Camp Association (ACA) seeks to enhance quality and develop professional practices in the camping industry. Camp owners and operators agree to uphold a stringent code of camp management practices. Camp Wright was first accredited by the ACA in 1994. At least once every three years, a team of camping professionals visits our program and review our practices with standards in the industry. We are proud to take part in this process and to have our standards meet or exceed the ACA standards. Our most recent visit occurred in 2016!

## Camper Health, Safety and Behavior

Camp Wright is licensed and inspected by the State of Maryland and local Fire Marshal. The kitchen and pool areas are inspected and licensed by the Queen Anne's County Health Department. A licensed nurse, EMT or physician is on site 24 hours a day during overnight camp. Local physicians and hospitals are available for urgent medical care. All program staff are certified in First Aid, AED and CPR. Campers are expected to conduct themselves in a manner that is conducive to our programming, mission and goals. Behavior that is deemed dangerous, inappropriate, or unmanageable by the Administrative Staff is grounds for dismissal from camp. Parents will be contacted as needed.

## Spiritual Life at Camp Wright

We begin and end each day with song, stories, reflection and prayer. Time each day is designated for our Christian Education program, called Serendipity. Through art, activities, games, stories and music we grow in our ability to love our neighbors as ourselves as Jesus taught. Our Serendipity coordinator designs program each summer to enhance our Camp Wright experience. We end each session with a worship service in our outdoor chapel.

Parents and families are invited to join us in the Shepherd Chapel on Check Out Day at 9am.
