Mail can also be dropped off on the first day of camp during Check-In. We will have labeled boxes in Clary Hall for each of the days that campers receive mail. Sealed With A Kiss is a vendor that provides care package service to camps. Find them online at www.eswak.com.

Bunk1.com hosts our online camper photos and allows camp families to send emails. Photos are posted several times a session and emails are distributed to campers each afternoon.

- ➔ Click the **Bunk Notes** tab to send your camper emails while they are here at Camp Wright. Bunk Notes must be paid for with credits. You can purchase credits in the Bunk Note tab at the top of the page. Each Bunk Note costs 1 credit but you may add a picture, border, puzzle or bunk note reply for additional credits.
- ➔ The Bunk Note Reply option allows you to send your camper a blank stationary form that they fill out and return to the office. We then fax the replies to Bunk1 and they show up in your parent portal under the **Bunk Replies** tab. This allows you to receive contact from your camper during a session.

Both the Bunk1 and Sealed with a Kiss services provide financial support to our camp programs.

A Note on Care Packages:

Care packages are a great way to correspond with your campers while they are at camp. Campers always look forward to receiving their mail at rest hour. Some great options for care package items are personal notes, puzzles, games and activities, candy and snacks. Please do not include any items that contain nuts or that are processed in a plant that also processes nut products. You can check this on the back of the package under the nutritional information chart. Small individual snack or re-sealable bags are the best way to avoid critters in the cabin. We encourage campers to share their items with their fellow cabin mates if possible, so little games and treats that the whole cabin can share are a great part of receiving a care package and enjoying cabin time. Please note that care packages will be searched for nut products so that we can keep our campers with allergies safe. Some fun suggestions are: nail polish, cabin decorations, glow sticks, hair accessories, mad libs, paper airplane books, small toys, magazines, fun socks, playing cards, etc.
